Save Our Hospital!

Irfan Mustafa (left) is campaigning to save King George hospital

The campaign to save King George V hospital is growing fast!

“Everyone locally wants to keep King George as a full hospital with an Accident and Emergency department” says local campaigner Irfan Mustafa,

“We can’t let Labour’s plans to privatise the NHS get in the way of services for local people.”

Many local people look set to use their vote in the Clementswood by-election on November 9th to send a message that they want the hospital to stay.

“Already, dozens of people have signed the petition to save the hospital” said Irfan Mustafa. “But there is still time! Just fill in the petition overleaf.”

Irfan Mustafa - Working For You

Irfan Mustafa joined the Lib Dems because he was fed up with Tony Blair. He lives locally in Redbridge and wants to get things done for our area. He is campaigning against the plans to cut services at King George hospital - and wants to work with the Police to tackle crime.

Irfan wants to represent the whole community in Clementswood. "I promise to work hard for everyone in Clementswood, regardless of their background. There are many problems to sort out - we must all work together to solve them."

Action on South Park scandal!

Irfan Mustafa has condemned the Council for ignoring South Park.

"Money is being lavished on other parks, in other parts of the Borough" he said. "Yet again Clementswood is being ignored by the Council, and Labour councillors are doing nothing about it."

"If you elect me as your Councillor on November 9th, I will make sure our voices are heard".
