**Clementswood electors really sent  
Tony Blair a message !**

Labour were defeated in Clementswoods' by election for the first time in 42 years. The Liberal Democrat Irfan Mustafa won the seat, taking the party up from fourth place last May. He becomes the tenth Liberal Democrat councillor in Redbridge. Votes for the Conservative and all other parties fell.

**Irfan Mustafa** campaigned to save King George Hospital from being run down, against ID Cards, high crime in Clementswood and the neglect by the Labour party who took people's support for them for granted.

Irfan said " We asked people to send a clear message to Tony Blair that it was time he went now. Just as two days before our polling day the American people gave George Bush the same message. **Thank you for your support. I look forward to serving you all**"

## **Cllr Mustafa backs plan to save King George Hospital**

Irfan Mustafa attended his first meeting of Redbridge Council just one week after his election as the new Clementswood Councillor.

He backed a motion calling on the Health Authorities to keep our vital local hospital open

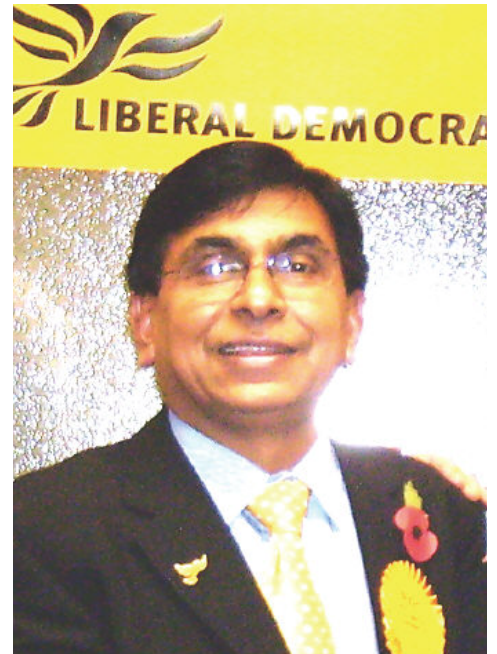

After the meeting he said " All 10 Liberal Democrat Councillors want to keep our full services in our local hospitals .

I'm keeping up my fight to save King George. Mike Gapes is the only MP serving the borough who hasn't called his own public meeting to save our local hospital. He should stand up and lead our campaign"

**Cllr Irfan Mustafa will be on the committees of Redbridge Council which deal with crime and community safety**

**In addition he will be on our Area 6 committee which deals with local highways schemes and parks and environmental matters including street cleaning.**

**Cllr Mustafa will work with the other 9 Liberal Democrat Councillors in Redbridge to help reduce crime and make our area cleaner, safer and greener.**
